# How to import eBook/EBK-files in “Weilbach eReader”

-

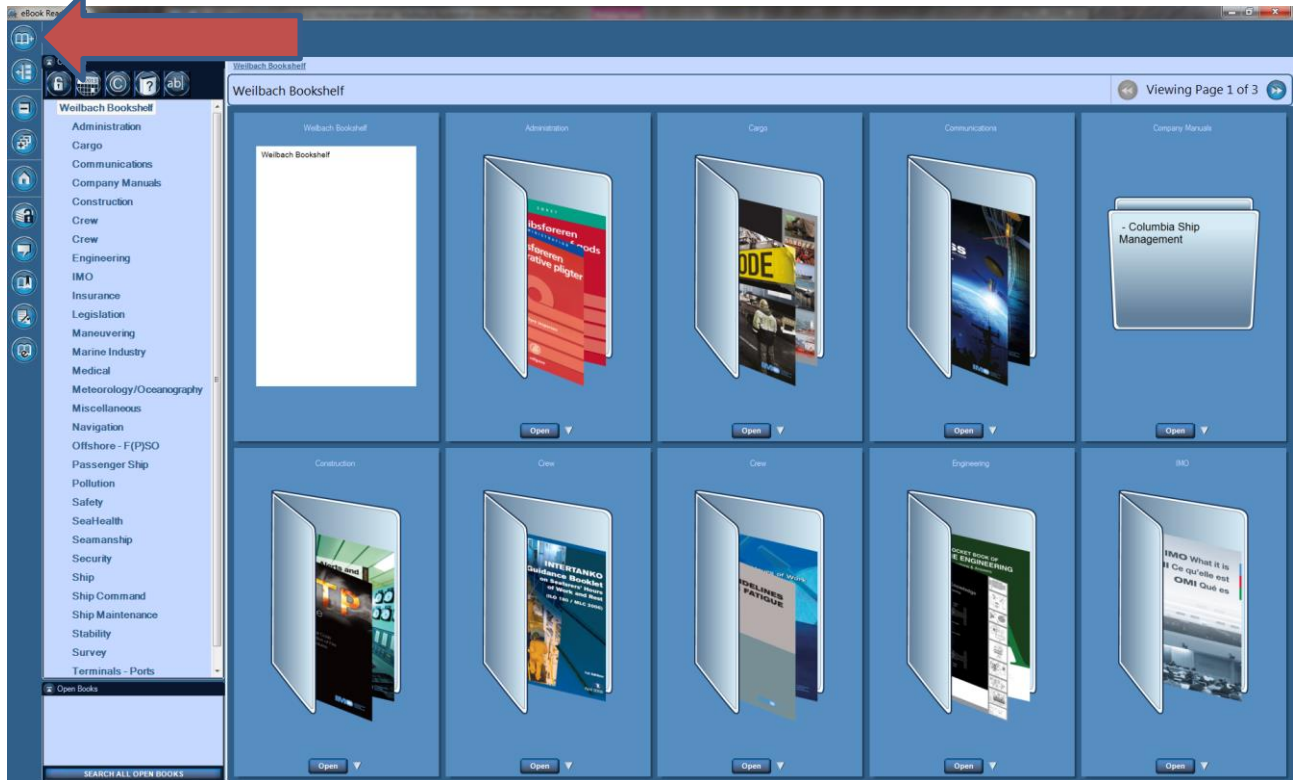

## Quick Guide

When you have purchased a new eBook title, you will need to import the actual eBook into the Weilbach eReader before you can unlock and access the eBook. The eBook itself consist of an ebk-file and will either be supplied as individual files or as part of the Weilbach eReader Catalogue CD.

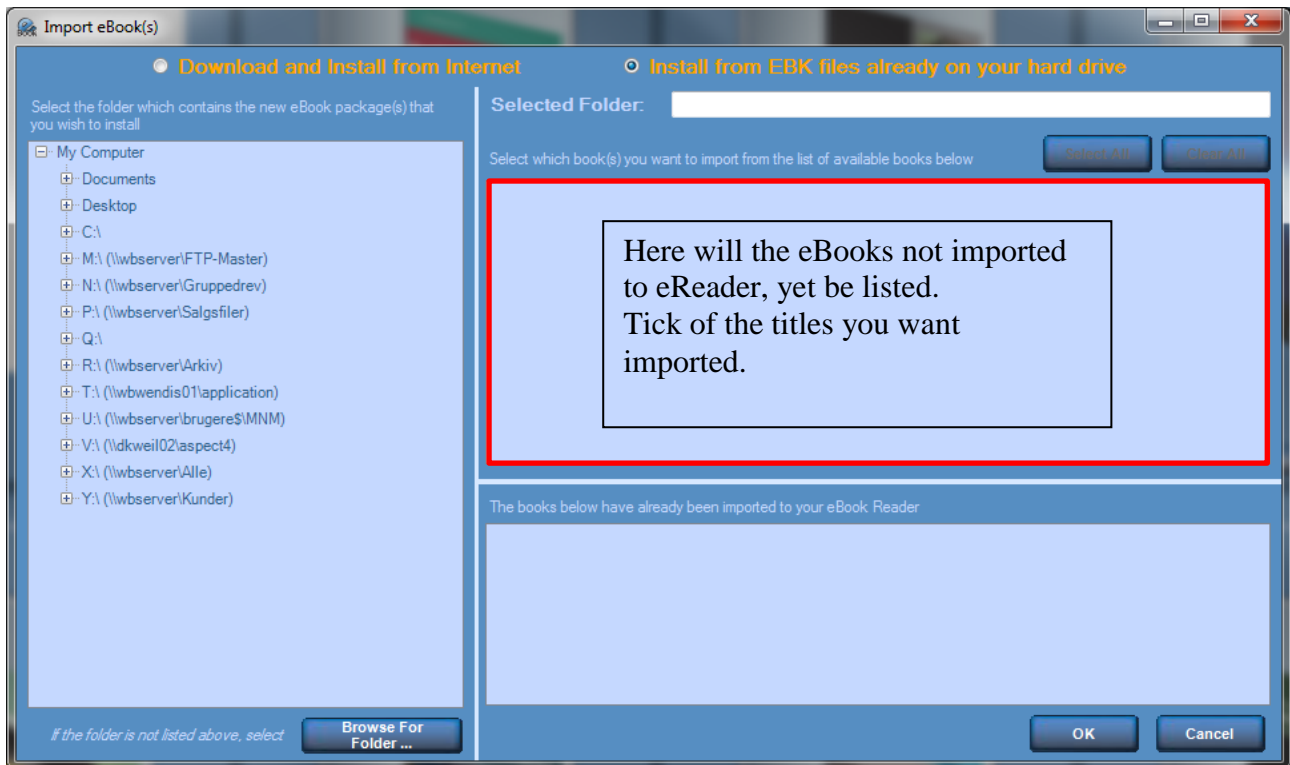

### How to import eBooks/EBK-files

- If you have received the individual ebk-files, start by saving the ebk-file(s) to your computer.
- If the eBooks are supplied on a Catalogue Update CD, insert the CD in disk drive

- Open the Weilbach eReader software and click the button “Import ebook(s)” in the upper left corner of the screen.

- In the popup window “Import eBook(s)” use the path in the left side of the screen to navigate the folder where the ebk-file have been saved or to locate the Catalogue Update CD depending on how the eBooks files are received.

- When you select the ebk-fil folder or the Catalogue Update CD, all available ebooks will automatically be listed in the right side of the screen.
- Tick off the listed eBook(s) that you want to install and click “OK” to start the installation.

Weilbach eReader will now close itself down and perform the eBook installation.

The software will automatically start up again when the installation is completed.

Please note that before you can access the eBook(s) in Wielbach eReader you will have to unlock the eBook with the specific READ-code supplied for you eBook license.
